count whatever of herself. The only hypothesis that can be formed was shot in the left breast, and very ments in his power, and expending the as to the cause of this singular affair is three children whose parents are divorced, and it is supposed-with what old man as he hobbled through the evidence we are not prepared to statethat one of the parents of one of the children had endeavored to take forcible possession of the girl, and hired the men to do the deed. In the uncertain light they took the wrong girl, and on discovering their mistake, or when they got

> Social Life in New York. A recent number of the New York Metropolitan Record says: There never was a time in the history of this city when extravagance was carried to such a dizzy hight as now. Not in dress alone, but in houses, in carriages, in horses, in entertainments, in money can be expended, it is poured out like water. The result is dress without taste, homes without happiness, and so cial intercourse without enjoyment. The

> extravagance of the women is, indeed, saddening to contemplate. Exorbitant prices are asked and cheerfully given for dress, while diamonds and jewelry cost belles have their dresses imported ready made from Paris, copied exactly in its minutest details from the court costume of the Empress Eggenie and the ladies of her court. We have our court jour-nals, too, in which all the fashionable chit-chat of the day is retailed, mar-risges are announced by authority, and elopements duly chronicied, the propos tion of both announcements being about equal. Then we have "court quadrilles" at the houses of our republican aristocracy, and in "point of fact," as Cousin Feenix would say, having reached the minimum in morals and the maximum in wealth, we are ripe for the introduction of every folly and every absurdity. To cap the climax, our fashionable brides have determined to "inaugurate" the system of pages—"Utopian quite." Here is a good chance for our "woman's

> not monopolize this new and do incrative branch of industry. Effects of Color on Disease. The power of celors on disease, once supposed to exist, may be considered as branch of sympathetic medicine. White substances were considered re-frigerent, and red ones heating. Red dowers were given for disease of the blood, and yellow for the bile. In smallpox, red coverings, bed curtains, etc. were used to bring out the eruption. The patient was only to look at the red substances, and his drink was colored red.

YANNISSEE WHISKEY

WE HAVE ON HAND AND OFFER FOR sale, at the Lowest Market Rates:

H AVING LEARNED THAT PARTIES IN LOUISVILLE, CINCINNATI AND THIS CITY pretend to sell the "Yannissee" Whisky, we hereby give notice that we will b ing suit for damages sgainst any RESPONSIBLE party we may discover attempting to sell this brand of Whisky, and will publish them as selling a SPURIOUS article. We have had the sole use and on the "Yannissee" brand for nearly twenty years, and none is genuine without our brand on the barrels.
